#niedchat so whats the average length of a video that a pupil would watch at home?

19-Sep-12 19:39 | C\_w\_b\_h

19-Sep-12 19:40 | syded06

Does the #flipped approach widen the already cavernous digital divide? How can we ensure we don't leave students behind? #Niedchat

19-Sep-12 19:40 | dmurray742

19-Sep-12 19:41 | MrMalcontent

@johnmayo Thanks John #Nledchat

19-Sep-12 19:42 | dmurray742

@cmccoy605 the idea is surely unique to individual schools, but that's how I see a Gaelscoil benefitting... #Nledchat

19-Sep-12 19:42 | murraybarry

@syded06 @dmurray742 Yeah, they may have give up on task at home, you can guide them through. like this idea #Nledchat

19-Sep-12 19:42 | cmccoy605

@dmurray742 This is a very good point and may continue to mean that the flipped classroom remains a niche approach #niedchat

19-Sep-12 19:43 | MrMalcontent

@dmurray742 well after school time but in school, other facilities e.g. libraries etc could be used. #Nledchat

19-Sep-12 19:43 | cmccoy605

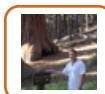

@dmurray742 @cmccoy605 what type of content do you provide - all video? how do you accomodate all learning styles? #niedchat

19-Sep-12 19:43 | medv2

@cmccoy605 Ah yes, an alternative provision - i think that's essential #flipped #Nledchat

19-Sep-12 19:43 | dmurray742

@cmccoy605 @dmurray742 when you are first starting out, the security of content screencasts, builds confidence to experiment #Nledchat

19-Sep-12 19:44 | syded06

@medv2 @cmccoy605 I'm old-school #flipped - I think video is a good point of entry #Nledchat

19-Sep-12 19:44 | dmurray742

@dmurray742 @cmccoy605 #Nledchat It's only 2012, not every house has Internet access! #Nledchat

19-Sep-12 19:44 | murraybarry

@cmccoy605 @dmurray742 This is an important way that could make it viable - exploit all resources to the utmost #niedchat

19-Sep-12 19:44 | MrMalcontent

@murraybarry that's great,esp a primary school flipping. One of main fears of parents in Gaelscoil is their lack of irish to help #Nledchat

19-Sep-12 19:44 | cmccoy605

@dmurray742 @medv2 @cmccoy605 if video is the way of delivering content I think it has to be supported by a structured task #Nledchat

19-Sep-12 19:45 | syded06

#niedchat found a pdf of the talk <http://t.co/R2g8M8Kh>

19-Sep-12 19:45 | johnmayo

@syded06 @medv2 @cmccoy605 As a follow-up classroom activity, or to accompany the viewing at home? #Nledchat #flipped

19-Sep-12 19:45 | dmurray742

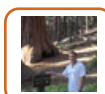

@cmccoy605 exactly, the only way to alleviate concerns regarding Irish-Medium is to educate those who are concerned #Niedchat

19-Sep-12 19:46 | murraybarry

Do the skills for actually accessing a flipped approach begin in the PS, though, where time can be invested in the timetable? #niedchat

19-Sep-12 19:47 | MrMalcontent

@dmurray742 @medv2 @cmccoy605 to accompany the viewing. It is too easy to watch and glaze over #Niedchat

19-Sep-12 19:47 | syded06

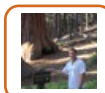

@syded06 @dmurray742 @medv2 @cmccoy605 At the mo students in my class follow up screencasts with a quiz activity in Edmodo. #niedchat

19-Sep-12 19:47 | dmchugh675

@medv2 @syded06 @cmccoy605 @khanacademy really set the standard for peer support, Donna. Have a look at @mathtrain too #Niedchat #flipped

19-Sep-12 19:47 | dmurray742

@medv2 @dmurray742 @cmccoy605 yes we almost always set a quiz on Socrative or Edmodo #Niedchat

19-Sep-12 19:47 | syded06

@murraybarry @dmurray742 especially in your area, I know that is a real difficulty for students. #Niedchat

19-Sep-12 19:47 | cmccoy605

@dmchugh675 perfect I reckon #Niedchat

19-Sep-12 19:47 | syded06

@syded06 @dmurray742 @medv2 @cmccoy605 Agreed. This also allows teacher to monitor extent to which work out of class has been done #niedchat

19-Sep-12 19:47 | lcgeography

@MrMalcontent That's a point worth exploring Barry - what do you mean the 'skills for accessing'? #Niedchat #flipped

19-Sep-12 19:48 | dmurray742

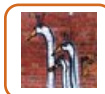

@MrMalcontent Some students are still reluctant to share ideas about learning in an online environment. Uncool maybe? #niedchat

19-Sep-12 19:48 | dmchugh675

@dmchugh675 @syded06 @dmurray742 @medv2 That's excellent. Test their learning and ensure they aren't 'glazing' over video. #Niedchat

19-Sep-12 19:49 | cmccoy605

#niedchat are pupils without skills/Internet access at home excluded from the flipped approach?

19-Sep-12 19:49 | C\_w\_b\_h

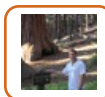

@dmurray742 @cmccoy605 must allow sufficient time for pupils to access IT - so needs more long term planning to allow for this. #Niedchat

19-Sep-12 19:49 | lcgeography

@cmccoy605 @dmchugh675 @syded06 @medv2 I worry that accompanying testing removes the 'novelty' of the pedagogy #Niedchat #flipped

19-Sep-12 19:49 | dmurray742

@dmurray742 @cmccoy605 @dmchugh675 @medv2 it's only to inform learning though. Socrative space race makes it fun! #Niedchat

19-Sep-12 19:50 | syded06

19-Sep-12 19:50 | amandasalt

@syded06 Edmodo is a neat solution. #niedchat

19-Sep-12 19:50 | dmchugh675

@syded06 @medv2 @dmurray742 @cmccoy605 Does this allow you just to check the work has been done? Or that it has been understood? #Niedchat

19-Sep-12 19:51 | lcgeography

@dmurray742 > or a 'thunk' to generate debate in teh classroom as well as online. Beginning the process that can be followed later #niedchat

19-Sep-12 19:51 | MrMalcontent

Do we need to be careful that we don't dilute the #flipped classroom with every 'bell and whistle' from online teaching? #Niedchat

19-Sep-12 19:51 | dmurray742

@dmchugh675 just been assessing some work on Edmodo - can't believe how easy it is - STILL #Niedchat

19-Sep-12 19:51 | syded06

@amandasalt Hey Amanda, welcome along #Niedchat

@medv2 yep, this is dedication #niedchat

19-Sep-12 19:51 | amandasalt

@dmurray742 I disagree, I think the 'novelty' could wear off eventually. death by powerpoint now death by video, no? #Niedchat

19-Sep-12 19:51 | cmccoy605

@lcgeography just depends on the type of questions you set. Tend to mix it up with MC and short answer #Niedchat

19-Sep-12 19:52 | syded06

Are we brave enough to embrace the #flipped approach, with the constant fear of ETI, and exams/results driven school managements? #Niedchat

19-Sep-12 20:02 | dmurray742

@C\_w\_b\_h Doesn't take much training to be honest. I like to use free web2 tools which are pretty intuitive. #niedchat

19-Sep-12 20:03 | dmchugh675

@dmurray742 @MrMalcontent Homework is always 'not done' - same kind of applies. deal with it in same way maybe? #Niedchat

19-Sep-12 20:03 | cmccoy605

19-Sep-12 20:05 | dmurray742

19-Sep-12 20:06 | amandasalt

@lcgeography or IWB one? #niedchat

19-Sep-12 20:07 | amandasalt

Can the NI infrastructure/network/C2k support this approach, or do we need to provide a contingency? #Niedchat

19-Sep-12 20:07 | dmurray742

@dmurray742 We are currently post inspection. They're back ink Dec. And I'm doing it. ETI want both results AND process. #Niedchat

19-Sep-12 20:07 | lcgeography

19-Sep-12 20:07 | dmurray742

19-Sep-12 20:08 | amandasalt

19-Sep-12 20:09 | medv2

19-Sep-12 20:11 | dmurray742

19-Sep-12 20:11 | petersg76

19-Sep-12 20:11 | syded06

19-Sep-12 20:15 | amandasalt
